INTRODUCTORY NOTE

In this year of 1968, Lithuanian Catholic women are celebrating the sixtieth anniversary of their public activity.

In connection with this celebration, the World Union of Lithuanian Catholic Women's Organizations, which is a member of the World Union of Catholic Women's Organizations, is publishing this booklet of information. The purpose of this booklet is to acquaint the women of other nations with the activities of Lithuanian Catholic women, with their background, and the history of their country.

They sincerely hope that in so doing they may contribute to the promotion of ever better understanding and greater cooperation among all Catholic women throughout the world.
